

Introducing the South Sudan Knowledge Network

The Dutch Consortium for Rehabilitation, NGO Forum, Sudd Institute and University of Juba are coming together to compile and share research undertaken on South Sudan. Research papers will be hosted on the NGO Forum website for all to access and downloaded regularly and stored at the library of the University of Juba for easy access for students and academics.

Do you know of a research paper on South Sudan that you can share?

Send it to: sknowledgenetwork@gmail.com
