

# Teamwork for Education and Economic Sustainability AAUN Forum and AGM 27 August 2018

(Final program V11 at 23 August 2018)

**Venue: The University Club of Western Australia** Hackett Entrance 1, Hackett Drive Crawley, Western Australia, 6009

#### **OBJECTIVES AND OUTCOMES**

# Purpose – knowledge partnerships for policy development:

The international policy framework is taking shape around the UN Sustainable Development Goals (SDGs), the China Belt and Road Initiative (BRI), the UN Paris Climate Accords (COP) and national policies. How can Universities best interact in bringing research evidence to fill the knowledge gaps? How can the Australian-African Universities Network contribute? What are the practical steps 2018-20 to focus our working teams and partners in engagement and results? How do we build the next generation of leaders who are capable and conversant with global policy; and able to access the opportunities and the required resources? How do we maximize the opportunities for Australia Africa partnerships?

### FOCUS – the priority areas for Universities to engage with research and education:

AAUN invites the advice and experience of all attending from government, academia, agencies and business in shaping our capacity and impact for the future. In our first five years we have established a platform and delivered results. Now we seek to build greater effectiveness and impact, and to attract sustainable resources from national and international agencies. The program below is a concept in which we invite our members and stakeholders to engage and comment.

- (i) **RESEARCH** The AAUN research base holds significant assets in our established teams and communities of Australian and African researchers, educators and students. These teams focus in the areas of environment, food and nutrition security, public health in non-communicable disease, and related education and economic development.
- (i) EDUCATION In August 2018 AAUN has invited selected **African Ministers of Education**, presenting a significant opportunity. Please note the incorporation of the Ministers in the program for AAUN on 27 August, flowing in to the <u>ADU Research Forum</u> on 28 August and to the <u>Africa Down Under Conference</u> 29-31 August (see details below).
- (ii) POLICY The UN Sustainable Development Goals, UN Climate Accords, China Belt and Road Approach, Australian and African international policy objectives are all highly relevant to AAUN. They provide a policy framework with mutual benefit to Africa and Australia, shaping research, education and economic development. They should also provide resources to implement partnerships and programs. They are an opportunity to evolve research, teaching and learning in new approaches, degrees and qualifications for the leaders of tomorrow.
- (iii) RESEARCH Strategy We review our progress and results from the 43 seed-funded programs that we have invested in since our launch 6 years ago at DFAT Canberra in 2012; and select the successful ones to build further with new initiatives. We will strengthen our partnerships with our sponsors, especially the Australian Government and agencies (DFAT and ACIAR) and the NRF (South Africa), and seek additional international resources and funding. In keeping with our research and education character, we are establishing 3-year alliances with our knowledge partners, leveraging further partnerships with African and International Networks, and focusing on mutual objectives and outcomes.

(iv) HIGHER EDUCATION – We review and extend our research and mobility programs and interactions with exchanges of experts, the Australia Awards, international needs and opportunities. Some of our members have highlighted the needs for institutional development, graduate employment and more effort towards linked courses and degrees. An important dimension is to include the Alumni from AAUN and Australia-Africa training courses alongside our efforts.

#### **AAUN Forum Structure**

Each session has 1-2 opening speakers, 2-3 panelists and expert discussants. Chairs and speakers please keep strictly to times shown. All participants are experts and there is time for discussion. Discussion time for consensus and practical outcomes is a core part of the workshop.

#### **OUTCOMES**

Important to the success of the Forum, we will develop a communique or position paper for policy makers in Australia and Africa, with copy to relevant international governments and agencies. Several research programs are likely to arise from the discussions. We will also engage with media and websites in communicating the outcomes of the meetings.

#### **Discussants**

African Heads of Mission in Australia, Australian Heads of Mission in Africa, Academic, Business and NGO experts. The Forum brings together multidisciplinary expertise: we welcome viewpoints and comments to build the future. Please note the participation of the Chair and members of AGAAR (Advisory Group on Australia Africa Relations – reporting to the Foreign Minister, The Hon Julie Bishop).

#### **Contacts**

Program development and editing: A-Prof Grace Liu, E: gliu@wun.ac.uk

Logistics and Communications: Marije Nieuwenhuis, E: aaun.events@sydney.edu.au

**NOTE:** In interests of environment and cost, there will be no printed programs. Please go to the <u>AAUN website</u> ahead of the meeting (after 1 AUGUST) for updates of the program, or to download or print the final program as you wish.

#### **Participants**

We expect up to 120 expert participants from academia, government, diplomatic, business, agencies. We are pleased to welcome guests and observers from cooperating networks and NGOs, including to the AAUN AGM meeting, other than for the final closed session which is for AAUN steering group only.

#### Registration

Forum registration for 27 August is without charge, thanks to support from Australian Government Agencies (DFAT, ACIAR, Department of Education). The dinner is a separate registration at cost price of \$ 110 (including GST). Drinks included. All participants are invited to register for the Forum dinner.

#### Communications: Please check our website

The website will be updated regularly as we develop the AAUN Forum and associated events further.

#### Follow up

We will call for AAUN-Partnership and Research Development seed fund bids in February 2019 (catalytic grants of average \$10K to initiate and build strategic and sustainable research teams and exchange programs).

#### Host

We are grateful to the University of Western Australia for hosting the AAUN Forum allied to UWA Research Week, and for sponsoring the Annual Dinner. We welcome and thank our student volunteers from UWA: Tinashe Jakwa, Gashaw Jember and Muhammad Dan Suleiman. The AAUN Forum is also a part of **Australia Africa Week 29-31 August**, and a partner with Africa Down Under 2018.

## DAY 2, TUESDAY 28 August

# Joint AAUN Research Symposium with AFRICA DOWN UNDER (ADU)

- **Concept:** AAUN Programs and ADU as they relate to Block-chain initiatives in Mining and Extractive Industries. **Chair:** Mr David Doepel, Murdoch University
- **Program**: please see the <u>Africa-Australia Research Forum webpage</u> and <u>flyer</u> for details. We are exploring how African Education Ministers, HOMs and higher education experts in Africa and Australia can join in finding solutions to graduate employment, entrepreneurship and new business development.

Your input is welcome, please register - Deadline 1 August 2018 (to d.doepel@murdoch.edu.au)

Please note the above program is now on line.
**************
DAY 3-5, WEDNESDAY 29 - FRIDAY 31 AUGUST
AFRICA DOWN UNDER CONFERENCE
AAUN members who wish to attend the <b>Africa Down Under Conference</b> can register at the <u>ADU website</u> . We are exploring with ADU the opportunities for AAUN researchers and educators to engage in challenges related to extractive industries, social cohesion and sustainable societal development.
